Dear Jim,

I'm writing to tell you my exciting plan for the summer holiday. I want to join a Dragon Boat Training Camp. I wonder if you'd like to go with me.

This camp will open on July 20th. It offers teenagers like you and me a chance to enjoy sports and learn about Chinese culture. If you are interested in it, let me know and I'll send you more information.

Hope to meet you at the training camp this summer.

Yours,
Li Hua

第二节（20分）

One possible version:

Last Tuesday, our class invited an old craftsman to teach us how to make dough figurines.

When the craftsman came into the classroom, we gave him a warm welcome and two boys helped him with the tool box. First, he showed us the basic steps and skills of making dough figurines. We stood around him and watched attentively. Then we started to have a try ourselves. The old man walked around and helped us patiently. Finally, we put the figurines we made on the table and took pictures with the old craftsman. Looking at the figurines, we were all very excited.

We hope we can have more activities of this kind!
