第三节 书面表达

Hi Sharon,

This is Li Xia. I learned from your post that you want to improve your Mandarin. I am quite interested in it. I think I'm fit for it. As a student, I have been learning Mandarin for many years. In addition, I am Chinese, which means Mandarin is a must for me to communicate with others in my daily life. So I'm quite confident that I can help you learn Mandarin.

Learning Mandarin takes time, so if you want to learn it well, you should spend much time practicing Mandarin every day. As the saying goes, practice makes perfect. Besides, you can also read some books in Chinese, see some Chinese films and listen to some Chinese radio programmes. Speaking and listening are very important for a language learning, by which you are sure to make great progress.

In your post, you say you can teach English as a reward. It is just what I want. I'm eager to improve my English. So, if you allow me to help you learn Mandarin, you can also help me improve my English. We can contact each other by video chat every night for half an hour in English and half an hour in Chinese, so that we can improve our oral speaking.

Hope for you early reply!

Yours Sincerely

Li Xia
